Convenient

Payment Options

Each month you will receive a bill for your premium. You can continue to use your insurance as long as you keep your payments up to date. If you purchased your own coverage, you will have to pay your first premium before you can start using your benefits.

Blue Cross and Blue Shield of Texas (BCBSTX) offers many convenient ways for you to pay your premium. You may choose what works best for you:

Check/Money Order

Pay your premium by mail with a personal check, cashier's check or money order. To do so, be sure you:

- Make the check payable to Blue Cross and Blue Shield of Texas
- Write your account/member ID number on your check, cashier's check or money order
- Include the payment coupon that was sent to you with your bill
- Send your payment at least 5 business days in advance of the payment due date to ensure timely posting to your account
- Mail your payment to the address on your bill
